SERIES **VISION**

SERIES VISION

Our Vision in creating it. Soundness and boldness of design. Reflecting strength and sensuality rolled into one. Minimalism and economy echo luxury. The features of importance are all there, the frivolous axed.

CRESTIAL track record, no contest. Quality brass, quality craftsmanship, manufacturing discipline, quality nickel, quality chrome plating equate to zero compromise products.

Vision A and Vision T handle options, both offer velvet movements. Near perfection. The performance surpasses expectations.

When you make great faucets you don't need to make a big fuss.
